

Information Disclosure about Fire Incidents in one of PT Garudafood Putra Putri Jaya Tbk factory in Pati

With respect,

Referring to the provisions of Regulation No.31 / POJK.04 / 2015 dated December 16, 2015 concerning Openness of Material Information or Facts by Issuers or Public Companies, here we submit information disclosure regarding fire incidents in one of PT Garudafood Putra Putri Jaya Tbk's factory (the Company) which is located at Jln. Raya Pati Juwana km 2,3 Pati - Central Java which produces coated peanuts and extrude.

The fire occurred on Tuesday, April 16, 2019 at around 12.00 WIB in the Company's packaging material warehouse area.

The location of the factory is far from residential areas, so the fires spread can be prevented to other areas. No fatalities or injured victims in this incident.

Until this information disclosure was released, the fire at the scene has been well handled and extinguished. The cause of the fire is still traced in collaboration with the local police. The Company's management is identifying estimates of the value of losses arising from this event. However, the Company has protected all of its assets by insurance.

Thus information can be released. Thank you for your attention and cooperation.

Best Regards,

Paulus Tedjosutikno
Director
